

New to our Sunday School

Sunday School

We would like to introduce you to two new additions to our Sunday morning children's ministry. First, meet Teresa Oduor! Teresa and her husband, Thomas came to Trinity last year and didn't hesitate to get involved in many aspects of our TLC Family. Thomas has faithfully attended the Men's Bible Breakfast that is held the 2nd Saturday of every month and the Sunday morning adult Bible class. Teresa promptly joined the choir and what a wonderful addition she is!!! She has also faithfully attended the LWML ladies' monthly meeting/luncheons, Ladies' Night Out events and the quilter's group. Teresa has agreed to join the Sunday morning Children's ministry team as a teacher. She has already led the Sunday School openings and will be joining the teaching rotation. We welcome Teresa with open arms!

The second addition to our Sunday children's ministry is **Lenari**. She is the creation of Teresa and a delightful addition loved by the children that have met her. (SHHHH...don't tell her that she is only a puppet)

The TLC Family is Growing!!! Praise God!!!

Unit 5: *God Leads His Nation* continues this month. The children will meet some interesting characters in the Old Testament who play important roles in God's plan for His chosen people, the Israelites. Some of the characters are Caleb, Joshua, and Rahab, a prostitute.

We are now meeting in the newly renovated Fellowship Center and are very excited! We welcome anyone that would like to take a peek and see our beautiful new space in the north-east classroom.
