

## Trinity Child Development Center

Due to the present economic climate in our country and especially in California, our Trinity Lutheran Child Development Center is also experiencing financial difficulties. Attendance has dropped off due to unemployment of parents. Riverside County is in arrears for tuition due for children under their program, etc., etc.

We know that the members of our congregation are always willing to help--but, only if they are apprised of the situation.

### HOW CAN WE HELP? LET ME COUNT THE WAYS!

1. Keep the school in your daily prayers
2. Help us advertise for new students. Let people know that we can accommodate most ages immediately.
3. Offer to pay one of the current monthly bills for the child care facility. Pick a "bill" from the "Trinity Tree" on the poster out front of the church, make a check out to Trinity Lutheran, attach it to the "bill" and put it in the offering plate on Sunday. (Share the cost of a larger bill with another member.)
4. Sign a pledge to make a contribution to the school on a regular basis (weekly or monthly) over and above your regular offering to church.
5. Make a single contribution according to your ability to help.

We would be glad to take into consideration any information or suggestions you might have to help lessen our financial crunch. Contact our Board of Education Chairman, Russ Campbell or Secretary, Mary Helen Kelly.

Also, if you have an educational background and possibly might meet the requirements necessary to serve as a volunteer part time at the school, please contact Director Eloise Freeman @ 760-347-3838.

Thank you, TLC Board of Education

Dear Trinity Members and Friends,  
Thank you for your partnership in ministry, sharing the Gospel, and being living examples of Jesus. This Thanksgiving, may you know that you are appreciated and valued for all you do and all you are.

We wish you a holiday filled with peace, hope, and love.
