

TLC President's Update

We have received the payment from our insurance carrier, Brotherhood Mutual, in the amount of \$137,476.41 to rebuild our Fellowship Center. I am also anticipating that this week planning meetings will begin with all interested parties in regard to the rebuild phase of the project. Thank you for your patience as we work to reopen the FC in time for our fall programming. Enjoy the remainder of your summer!

*In Christ,
Jim Ducatte,*
